Candy Crush Saga (MOD, Unlocked) - an excellent game of the genre three unlikely, in which you will collect three or more sweets in a row that they have disappeared from your playing field. The game will appeal not only to all fans and lovers of adventures difficult level. At the beginning of the game you may seem pretty simple and boring, but the pass few levels and you'll realize that this is not so. Enjoy beautiful graphics and high-quality picture in Candy Crush Saga mod apk! Updated to version 1.236.0.3! When it was first released as a game for Facebook, its developers couldn't even dream about it reaching the success it has achieved: millions of players hooked on it from the very first moment, sending invitations to all their contacts, just like they used to do with FarmVille. Moving on to mobile platforms The game's success led to a version for iPhone as well as the subsequent APK for Android smartphones and tablets, which ended up confirming Candy Crush Saga as one of the most profitable games developed by King.com. Obviously, a version for PC had to come next, so here's the edition for Windows 10. To get hold of it you'll only have to press the Download button and install the APX file that will bring the native version of Candy Crush for Windows to your computer screen. One of the greatest hits in the short history of mobile games. So here it is on our desktop, the game that repeats the winning formula of Bejeweled and Jewel Quest, but this time around with candies instead of gems and precious stones. And no, you're not going to find anything different on your computer than what you've already seen on your phone or tablet, in fact, it's exactly the same game. By the way... how to play it? Well, that's a shocking question, since you probably know how to play this game off by heart as you've surely played other similar games before. You have to swap the position of several elements on the board in order to line-up horizontally or vertically three or more identical blocks. That's when they disappear and their space is occupied by others, with new items appearing on the panel. You usually have to try to reach a certain number of sweets to complete each panel, but you can also play against the clock or any other game mode. Some of the features of this addictive game One of the key aspects that have led so many people to play this title, including your mom, is that it's free. However, it's definitely a case to be studied because, together with Clash of Clans, it's one of the highest grossing games thanks to its in-app purchases. And just in case you don't recall it, here are some of the functions and features you'll come across: Match 3 game that's about combining identical candies in groups of at least three to clear them off the board. 4 game modes: timed levels, target score, drop down mode and order mode. Increase your score thanks to special candy boosters or power-ups. Unleash chain reactions that will give you more points. Thousands of levels available that increase every week with each new update. Daily prizes by spinning this special wheel. Special unlockable wheels as you manage to solve puzzles and surpass levels. General standings with your score and the achievements of your friends. Synchronizable games: continue on your Android or iPhone where you left off on your PC. What's the highest level in the game? For your information, you should be happy to know that there's no way you're going to be able to complete this game. There are thousands of levels available but, with each new update released every week, there are new screens that make it impossible to ever end, although we encourage you to try it out for yourself. Now that you know, don't hesitate to lend Tiff and Toffee a hand around Candy Kingdom in a game that will glue you to your PC from the very first moment. Just wait until you start playing. And don't forget that if you need more, you can always have a go at Jelly Saga. What's new in the latest version Adds more levels to the game. Candy Crush Saga (MOD APK, Unlimited Moves/Lives/All Level) is a perfect choice for players to entertain with thousands of match-3 challenges along with delicious and eye-catching candies. Are you looking for a fun game genre for your device? Here, I will introduce you to a game that is Candy Crush Saga - a super cute game for children and adults alike. Have you ever known this kind of game? If you have played this game, you know that this is a game created with beautiful colors, eye-catching with sparkling candies arranged randomly and combined with great content. OVERVIEW ABOUT CANDY CRUSH SAGA Candy Crush Saga is a legendary puzzle game that is very popular in Google play stores. This type of game is extremely familiar to gamers, boiling, and playable by all ages. Candy Crush Saga is created with a colorful board of blue, red, purple, and yellow arranged out of order, forcing players to arrange the candies into parallel. Coming to the game, players can expand and improve their own minds because the game requires players to be observant and quick to overcome the challenge. In general, Candy is a pretty good game for Android and iOS with a compelling storyline that gives players an interesting experience. Users can install and play very simply and easily done. Coming from the KING version, Candy Crush has become popular with more than 1 million installs, showing that the game is great. In Candy Crush Saga, with each level, you will be amazed by the arrangement of candies, and the challenges are set very logically. Besides, during the game, you will feel pressured by the time allowed in each level. GAMEPLAY Because Candy Crush Saga is designed for all ages, the gameplay is straightforward; although there are detailed instructions for the player in the game, people do not need to pay much attention. From the moment on Candy Crush, the player can play proficiently and skillfully. Still, you should not rush every challenge will be gradually increased with the difficulty level; the time allowed in 1 level will also be increasingly limited. Not to mention the time bombs are a difficult challenge for you, so if you encounter the bombs, quickly destroy them. Players only need to arrange 3 candies of the same color to align with each other or form an L-shaped with 5 candies to create a wrapped candy to explode on a large surface. There is a striped candy, and it will sweep all the horizontal or vertical columns in the same place. Play and arrange the special candies together to quickly complete the goal. In each game, you can play 5 turns. If you play all the turns, you must invite more friends on Facebook or wait 15 minutes before playing again. GRAPHICS SOUND Each game produced by the King will be a special version for players; everything in the game will be perfect, even the smallest detail. Winning at each level is very lively and attractive for players. With a special artistic style, the eye-catching graphic interfaces will be impressive for players right from the game moment. The way the visual effects are elaborate and saturated, seemingly through the level error. Game round objects' arrangement will be more diverse. Honestly, Candy Crush always leaves a good impression on the players from all artistic angles. Candy Crush Saga always updates and enhances the audio details as well as the interface in the game. The unique design, the vivid sound will help players feel comfortable and want to continue to conquer the next levels. It can be said that it is the most outstanding point in the game. GAME FEATURES Candy Crush Saga will help you increasingly love and crush the candies. Candy Crush Saga's features are equally special, and the game allows players to purchase items and use plays. Listen to difficult challenges, and Candy Crush will give you attractive gifts if you achieve high scores, and you will collect items to help you pass the mission. Besides, the game also has a ranking of the best players on it. Players can register an account by linking to their personal Facebook account very quickly. You can play with your Facebook friends and see each of your friends' numbers and levels through here. With more than 500 levels, players can delight in conquering unlimited challenges. It will be an extremely favorite game genre for everyone, and I delight in my passion through all the challenges. Gaming not only keeps you entertained but also improves the agility of the player. Due to its simplicity and ease of play, this will be a great game for all gamers—experience to have interesting and rewarding experiences. muy bueno le da o muy bueno Thanks you for unlimited boosters and moves Aplicación aceptable, gracias Buenos días desarrolladores y seguidores de esta excelente APK. Tengo una pregunta: Esta APK se puede tener en iOS y cómo?? Espero sus respuestas. Gracias de antemano 1 maqanda ha? VERY GOOD MOD I LIKE THAT great I play this lots. it works as it says. 1 Niceeeee 畫風:★★★★ 難度:★★★★ 快樂:★★★★★(雙倍快樂) 糖果傳奇是真正的消消樂!因為在消除之中真的可以帶來快樂!糖果的爽快感跟其他消消樂是不一樣的,糖果配合繽紛瑣細的色彩和各種糖果之間的清脆碰撞音效,每消除一次都是在釋放壓力。糖果感覺沒有隔壁花園或者開心那麼坑,難度適中,雖然也有體力但是卻可以玩很久,沒有體力也不會覺得不過癮~玩了糖果你就想把管家炒了!把動物團開了!我再說一遍——糖果傳奇是真正的消消樂!1 king的***神作。在頁遊已顯頹勢的大環境下,它的版本簡直就是神話般的存在!也是開心消消樂等等遊戲的效仿對象。雖然國內馬蹄花疼的版本增加了各種坑錢的點,但仍然瑕不掩瑜。雖然玩法簡單而且是古董級的,但越簡單的越難做,越經典的越難超越。這個遊戲做到了!!!糖果傳奇作為三消遊戲的鼻祖,好像在國內並不是很廣泛,大概因為宣傳力度?玩過開心和實果的我還是覺得糖果傳奇好玩一些。雖然覺得糖果傳奇音樂不好聽,糖果也沒有另外兩個圖案可愛,但是它遊戲畫面玩法和操作手感還比那兩個要好的...今天剛打過800關 特此打卡 從大一開始玩的時候第一次有了智能機 還是在人人上看到有好友玩的這個遊戲 現在一見人已經畢業 遊戲斷斷續續即載又下載 那時候這個遊戲還沒被騰訊代理 我也沒有翻牆軟件 即載之後重新下載還是需要重新打 因為手機內存不足 把遊戲卸了 大三重新下載回來 有了qq帳戶登錄 現在關頭打到了800關 玩過很多消消樂 還是candy
